

School Policy

The St. Joseph's Cathedral High School admits students of all religious without any segregation whatsoever. It aims at providing an environment that is conducive to excellent learning, civil maturity, accountability, moral integrity, personal responsibility, and human dignity. Much of this development takes place in the classroom but also in community within the school and in the community outside the school. The development of the student's character and personality is no less important than his/her learning. Always in whatever they do they are encouraged to **strive for excellence**. The school staff strives to complement the role of parents, family and community in leading the students to greater fidelity to God, a sense of justice for all and a love of neighbor that will form **responsible leaders** for the future.

EXPECTATIONS

We expect St. Joseph's Cathedral graduates to be identified as individuals/ persons having the marks of their al mater in their doings but not to see their time at school simply as an opportunity to grow and be named form six leavers. With this in their mind, they will bear the fruits of hard work, Sincerity, Faithfulness and Fear of God fruits are to be shared among everyone. Furthermore, St. Joseph's Graduates are expected to light the nation with unique traits of being Responsible Leaders, Faithful youth and in striving to do everything For God and For our Nation!

In conclusion, the world is riddled with all types of conflicts, violence, injustice, corruption and violation of human rights. Consequently, St. Joseph's Cathedral High School strives to teach hope and optimism. We believe that St. Joseph's Cathedral High School offers the best hope for humanity through its vision, Mission and Motto as concretized in its Human, Moral, social, Material and Spiritual resources. These are the Fundamental Values for **all** Catholic Schools.
